Dear Mr. Lally:

Thank you for your interest in Hexcel products. Enclosed are the OSHA Material Safety Data Sheets you requested on:

URALITE® 3160 Dark Amber (3161 Black) *DPM 6127*

The information contained herein is based upon the best data available to us; however, no representation is made regarding its accuracy. Any formula information contained on these sheets is considered confidential and the property of Hexcel Corporation. The recipient agrees to use this information only for occupational health and safety and not to divulge such information to third parties or use it to gain a competitive advantage.

If we can be of any further assistance to you on these or any other Hexcel products, please feel free to contact us.

Sincerely,

HEXCEL CORPORATION

Mary H. Benson
